CANDIDATE PROFILE

An extroverted, witty and hardworking 26 year old with the aspiration and drive to achieve all my goals. From a young age, I entered into endeavours within the sales environment. Being a natural conversationalist this industry has helped me polish and finesse my existing personal attributes. My passion for people and agility in pressured circumstances have allowed me to gain great rapport with people very quickly, effortlessly and leaving lasting impressions. I am well received for my sense of humour, friendly nature and determined persona.

WORK EXPERIENCE

LEAD SENIOR IT RECRUITER (FULL TIME)

ACQUAINTED ACQUISITION | SEPTEMBER 2022 - PRESENT

I have dedicated my full attention to ensuring an overall streamlined talent acquisition experience for businesses trying to source highly skilled suitable candidates. Managing all the communication, talent recruitment and career placements to ensure maximum efficiency for the employee and the employer. Assisting companies both locally and globally in all facets of recruitment. My responsibilities specifically include: ongoing business development and nurturing business relationships, liaising with CEOs and HR personnel and searching for medium to high level IT positions. My skills include human resource management, marketing, hiring, business development, telecommunications, staffing services and technical recruitment. I play an integral role in ensuring candidates are best suited to the role, budget and company culture and fully immerse into the process to ensure attention to detail and accurate placements are always accomplished.

ROLES WORKED ON:

AZURE ARCHITECT | SIEBEL DEVELOPMENT CONSULTANT | BUSINESS ANALYST | SQL DBA | PERFORMANCE TEST SPECIALIST | AM DELIVERY MANAGER | SNR FRONTEND DEV | SENIOR ANGULAR DEVELOPER | FULL STACK DEVELOPER | ANDROID/IOS DEV | LINUX ADMIN | KUBERNETES ADMIN.
